

Dear Spring Hill Families,

Spring Hill Elementary continues to collect box tops this year. Spring Hill earns 10 cents for every box top collected and more for the Bonus Box Tops! Follow these easy steps to help out your school.

1. Check products from brands like General Mills, Kleenex, Ziploc, Green Giant, Scott, Pillsbury, Nature Valley, Old El Paso to find your box tops. Clip them out.
2. Submit box tops in plastic baggies in increments of 10, 25 or 50 only. Put a label in or on the bag with your name, grade, teacher's name and the number of box tops enclosed.

Box tops can also be submitted on the sheet on the flip side of this page by taping 25 box tops in the bubbles and send it to school when you are done. **No Staples Please.**

If you need more worksheets, they can be found at www.boxtops4education.com or tape 25 box tops to an 8 $\frac{1}{2}$ x 11" piece of paper and include your name, grade and teacher's name

3. Turn box tops in to your teacher or put them in the collection basket in the front office. Remember to fill in your name, grade and the teacher's name.
